**Example:** For a 50" x 52" quilt, find the length and width at the top and left of the chart. This row and column intersect in the aqua area of the rainbow chart. From the Yardage chart below, you will need 6 WOF strips or 220" of binding. For 2 1/4" wide strips, accurately cut 3/8 yard. Round up to 1/2 yard if desired.
